

IRRI-Gator™ NPT-R

IRRI-Gator™ NPT-R Features

- ◆ Segmented, **Non-Pneumatic Tire (NPT)** Design Eliminates Flat Tires
- ◆ Easy-to-Clean, Configurable Segments Offer Directional or Non-Directional Pattern
- ◆ Segments are Solid and Bolted Directly to the Rim, Preventing Slippage
- ◆ Lower Segment Profile Allows for Greater Loads & Wider Footprint
- ◆ Provides Excellent Floatation
- ◆ Rubberized Surface Reduces Shock and Resulting Wear to Gearbox
- ◆ Replaceable Segments are Easily Retrofitted, in the Event of Damage
- ◆ One-Year Warranty

Non-Directional Configuration

Directional Configuration
